THE BACK BAY BISTRO AT NEWPORT DUNES RESORT IS PLEASED TO ANNOUNCE THE LAUNCHING OF A NEW WINE PROGRAM DESIGNED TO SET NEW STANDARDS IN THE NEWPORT BEACH FOOD AND WINE SCENE.

The restaurant has partnered with the sommeliers of **The Wine Elite**—Southern California’s foremost providers of wine entertainment and education—to make the Back Bay Bistro a premier destination for wine lovers. The new program consists of four components that we offer to our guests:

## DIVERSE WINE MENU:

A restructured and moderately priced wine menu offers a complete set of the great classical wines from around the world.

## TABLESIDE SOMMELIERS:

On Fridays and Saturdays, the dining room will be serviced by the certified sommeliers of The Wine Elite.

## TASTING FLIGHTS:

In addition to the full wine menu, tasting flights of 4 individual wines are offered.

## WINEMAKER DINNERS:

Guests are invited to experience a multi-course dinner, expertly paired with 6 to 10 great wines while listening to or participate in thought-provoking tasting discussions between our certified sommelier and the guest winemaker of the evening.

THE WINE PROGRAM AT BACK BAY BISTRO WAS CREATED BY THE WINE ELITE UNDER THE GUIDANCE OF CHIEF SOMMELIER JOEY KLEINHANS. JOEY IS A CERTIFIED SPECIALIST OF WINE (SOCIETY OF WINE EDUCATORS) AND A CERTIFIED SOMMELIER (COURT OF MASTER SOMMELIERS). MORE INFORMATION AT [WWW.WINEELITE.ORG](http://WWW.WINEELITE.ORG)
